Dear Attendant:

As you are aware, Resources for Living Independently, acting as fiscal agent for your consumer employer, is in compliance with the Occupational and Safety Health Regulations regarding the Hepatitis B Virus by offering you, free of charge, a series of three (3) vaccinations and follow-up.

If you wish to receive these vaccinations or require additional information about the vaccine, call HealthMark, Inc. at (215) 952-9900, to speak with a HealthMark Representative or schedule an appointment to begin your series of injections. This series of injections will be given on a per injection basis and will continue only if you remain employed by your consumer.
